To A.S.

Please see the U.O.Note of Public (Ser.) at 'J' and the minutes of H.C.M.'s H.C.M. has remarked that extension of probation should not be repeated and probation should be used as a test to prove or disprove the fitness of a subordinate and not merely for torture. In the case under reference probation of the officer has been extended twice already. This is the third time for the extension of probation. It is being extended ~~but~~ not for torture but giving the candidate an opportunity to qualify himself for being declared to have completed the period of probation. In these circumstances it is for orders whether the probation of the subordinate for a further period of six months from 14.2.52 (may be extended) as recommended by the D.A. Public (Ser.) may see for remarks.

Ok see my note on para 2 (c) on the previous occasion. In this case if the probation is terminated he will revert as Talukdar from which post he was promoted as Upper Asstt in 1948. The latest confl report on him is poor apart from his misconduct which earned him a censure already referred to. The Deptt need not object to A above if Pub agrees.

The case relates to the proposal of the Director of Agriculture for extension of probation of Sri K. Lakshminarayana Rao, Assistant in Cotton, Hagari for failure to pass the precribed test during the period of probation.

According to rule 9 of the Special Rules for the Madras Agricultural Sub-ordinate Service an Upper Sub-ordinate should pass the Account Test for sub-ordinate officers Part I, within the period of probation of two years. As Sri K. Lakshminarayana Rao, Assistant in Cotton who commenced probation on 16.6.48 did not pass the test, the Director of Agriculture extended his probation by a period of one year under rule 23-A of General rules for Madras State and Subordinate Services so as to enable him to pass the said Test. In G.O.Ms.2379, Food & Agriculture dated 13.12.51 the probation of Sri. K. Lakshminarayana Rao was extended upto 14.2.52 F.N. (by a further period of six months.) The subordinate did not pass the test even during the extended period of probation. The subordinate states that he failed in the examination due to heavy field work and the refusal of leave for study for the examination. The Director of Agriculture now recommends that the probation of Sri K. Lakshminarayana Rao may be exteded by a further period of six months from 14.2.52 F.N. or till he pass the test whichever is earlier by relaxing rule 23-A of the General Rules for State and Subordinate Services. This department accepted the suggestion of the D.A. for the extension of probation for a further period of six months from 14.2.52 F.N. or till he pass the test. Public (Services) has agreed to the view of this depart-

C100 28512/457

department and suggested that the increment of the subordinate should be stopped till the declaration of satisfactory completion of probation. This may now be circulated to H.M.(Agri.) and H.C.M. for orders whether the probation of Sri K. Lakshminarayana Rao may be extended by a further period of six months from 14.2.52.F.N. or till he passes the test, whichever is earlier, subject to stoppage of increment until he is declared to have satisfactorily completed his probation
